# Appreciation

In an attempt to publish a Northern which will be distinctive as contrasted with those of former years, and installing in those who read it a feeling of loyalty toward their college days, the Northern Board of the Class of 1930 has solicited the services of many whom, for lack of space it would be impossible to mention here. We are, however, greatly indebted to those who have contributed unselfishly to the successful publication of this Northern and wish, at this opportunity, to express our profound appreciation to them.

# Foreword

The theme of this book  
has been inspired by the  
achievements and  
realization of the dreams  
of the many engineers who  
*have graduated from*  
this institution

## JUNIOR CLASS OFFICERS

FLOYD GINDLESBERGER .....	President
KENNETH JACOBS .....	Vice President
ROBERT J. FRANCIS .....	Secretary
MIRIAM HOLYCROSS .....	Treasurer

With nearly three years of college life past, the Junior Class may now look back over a successful class history. Having laid the foundations of their careers, they must now take up the task of perfecting themselves for what is to come later.

The Junior Class has stood out prominently in all branches of collegiate life. In Scholarship, they stand high. They have many who participate in football, basketball and baseball. In other lines, the class has always taken a very active part.

One more year and the class will have become seniors. The success with which they make the final grade will be based upon what they have done as freshmen, sophomores and juniors.

## SOPHOMORE CLASS

The Respect for the school comes to the student in his sophomore year. During that year he finds his place in school and his major activities begin. He learns the sincerity of study and the appreciation of knowledge, but most of all, the spirit of the institution in which he is enrolled. This is the true characteristic of the class of 1932 at Ohio Northern.

The sophomore class ranks second in class enrollment. Sophomore Athletes received a large percent of the football awards this year, and were well represented on all the other branches of athletics. Among women's athletics we find the sophomore girls outstanding stars.

Being sophomores, however, they are limited, and await the time when they will be juniors and seniors so that they may do more for the institution to which they are already indebted.

The sophomore class has increased slightly in enrollment this year due to the fact that the two year students in education and commerce are classed as sophomores rather than as seniors. The students in education receive a diploma, while the students in commerce receive a certificate. Both of these courses are being abolished this year.

Since most of these students are leaving school never to return, it seems only proper that they should receive some recognition at this time. The graduates of the two year education course receive a graduate in pedagogy certificate, and are qualified as elementary school teachers. Those graduating in commerce receive a graduate in commerce certificate and are qualified as secretaries. There is also a one year course in commerce, which leads to stenographic positions.

## FRESHMAN CLASS

Our freshmen of to-day, the class of 1933, has the largest enrollment of any of the classes. This class has proudly put itself forward. To be a group of green, unsophisticated, freshmen, unknown to the world, yet be able to take care of themselves in face of all dangers, is acknowledged to be, even by the sophomores, something to be proud of.

In such a large class many celebrities were found; from noble scholars to the men of brawn — the athletes. The freshmen responded exceedingly well in all school activities, athletics in particular. With men and women of this caliber there is no doubt as to the future success of the class.

The Freshmen are here because of their own choice, and are backing the school with the truest and peppiest spirit found anywhere and in any college.

## PAN-HELLENIC COUNCIL

PROFESSOR E. VERGON SMITH ..... *Chairman*  
JOHN KLEIFIELD ..... *Secretary*  
NEIL KENNEDY ..... *Treasurer*

The Pan-Hellenic Council is composed of a member of each fraternity on the campus. It has become one of the most active factors in the promotion of good-will and friendliness among fraternal organizations and campus men. The program followed this year was the bi-monthly exchange of dinner guests among the fraternities and the football banquet at the close of the football season.

### A. S. C. E.

The Ohio Northern University chapter of the American Society of Civil Engineers has been an active society on the campus since its organization in 1925. The original was "The Ohio Northern University Society of Civil Engineers." This was changed to the present name when the society was admitted as a student chapter of the American Society.

It is the object of the society to raise the standards of the engineering profession and to promote the economic and social welfare of the engineers. Membership in the Society is open to all civil engineering students. Freshmen members are not allowed to wear the badge of the society.

Professor Elbin is sponsoring the society and has proven himself very capable. Much more than ordinary interest has been shown this by the members, and the society has accomplished a great deal toward its objectives.

## A. I. E. E.

The Student Branch of A. I. E. E. was established at Ohio Northern University on February 12, 1912. It has at all times been an active technical organization and continues to show steady progress under the leadership of Professor I. S. Campbell, the faculty advisor.

The society has held bi-monthly meetings in which the students present papers on current technical subjects. This aids the student in public speaking and in obtaining a wide knowledge of the field of electricity. There have been lectures in which the students have demonstrated their talks with apparatus and this has greatly added to the interest in the meetings. There has been an inspection trip to the industries of Lima sponsored by the society which has given the student an application for the theory of the class-room.

The benefits derived from being a member of this society are the honor and stimulation resulting from direct relationship with the national organization and association with fellow members of the branch.

## AMERICAN SOCIETY OF MECHANICAL ENGINEERS

Membership in the Ohio Northern Student branch of the American Society of Mechanical Engineers is open to all mechanical engineering students. During the past year meetings were held twice a month. At these meetings lectures were given stressing the practical side of mechanical engineering.

The society especially endeavors to have the freshmen attend the meetings in order that they may obtain a clear conception of the field of engineering into which they have enlisted. Under the leadership of Dean Needy and the officers of the organization, the local student branch has been brought into close contact with the national society, and has derived many benefits from this association.

## O. N. U. SOCIETY OF CHEMICAL ENGINEERING

Under the leadership of Professor Sleesman, the O. N. U. Chemical Society was formed in 1919. Since the organization was founded it has met with a steady progress, and has now doubled its membership. Any person interested in chemistry is invited to attend meetings, which are held twice a month.

Although at this time the society is the smallest of the engineering societies, it is rapidly growing, due to the leadership of Professor Sleesman. Each year new courses are offered, and it is hoped soon to have a curriculum that will rank with the largest schools.

## AMERICAN CHEMICAL SOCIETY (OHIO NORTHERN SECTION)

The American Chemical Society, a national organization was founded in 1876. National officers are: President, William McPherson, Ohio State University, Columbus, Ohio; Secretary, Charles L. Parsons, Mills Bldg., Washington, D. C.

This is the largest Society of men in the world who are interested in Chemistry. Many sections of the parent Society have been formed. Ohio has six sections: Akron, Toledo, Cleveland, Columbus, Cincinnati, and Ohio Northern. The Ohio Northern Section was organized in 1927 and given a territory of five counties; Harding, Allen, Hancock, Putman and Auglaize. Officers of the local section are: L. C. Sleesman, Chairman, J. A. Bradford, Vice Chairman; R. H. Raabe, Secretary and Treasurer; J. R. Harrod, Councillor.

The Ohio Northern Section, with J. R. Harrod Regional Chairman and R. H. Raabe Secretary, was host to the sixth regional meeting of the A. S. C. E. October 25th and 26th, 1929 at Ada, Ohio. On Friday interesting addresses were delivered throughout the day. The most prominent of these speakers was Dr. Irving Langmuir, of the General Electric Co. Saturday was devoted to an inspection trip. Members visited the Ira Marshall Farm which Mr. Marshall has made famous as the champion corn grower of the world. The trip included a stop at the Grant Tire Works and The National Refining Co., both of Findlay, Ohio.

## EDUCATIONAL ASSOCIATION

Each Monday evening throughout the year the Educational Association holds its meetings. It is composed of all students who expect to teach. Each member is supposed to attend three fourths of the meetings held. Dues are collected to help foster the Teachers Placement Bureau.

The aims of this body are many — some of the chief being to acquaint the students with problems of Education, to promote the professional attitude, to understand education from a scientific point of view, and to acquaint the prospective teachers with the outstanding educational leaders of this section of the state.

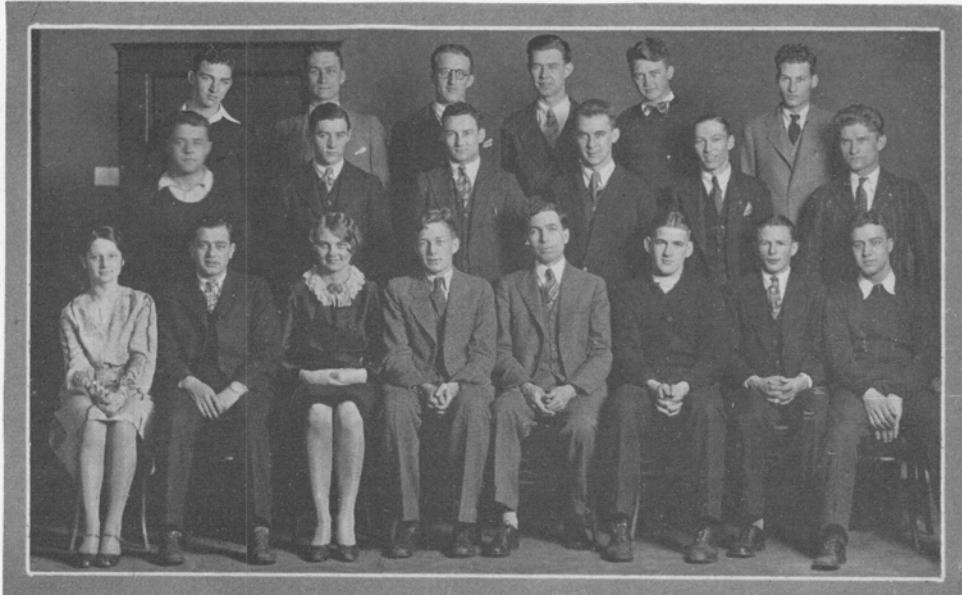

It is a part of the program of the organization to have students give talks from their own experiences. This helped to keep up the interest in the students and many good thoughts were gained from their discussions.

## SPANISH CLUB

The Spanish Club of Ohio Northern is affiliated with El Instituto de las Espanas which grants a medal each year to be given on Cervantes Day to the advanced student holding the highest grades in Spanish for the year. Rewards and honors are given to students holding high grades the first year and taking active part in the club work.

Miss Portia Brownell, honor student in French and Spanish, is President of the Club, Professor Brokaw is Faculty Sponsor. The Club meets the third week of each month to study Spanish lands, literature and institutions and to develop ability in the use of the Spanish language.

## OPEN ROAD CLUB

Under the leadership of Miss Bruckheimer and Miss Bornman, the Open Road Club was organized at the beginning of the Fall quarter. The purpose of the club was to sponsor hiking as a recreation for the women of the University. Thirty-five members were enrolled. Margaret Arbogast was elected president, and Margaret Selanders, secretary-treasurer. Weekly hikes held every Thursday night of the Fall and Spring quarters and occasional week-end trips to some nearby place were included in the activities of the club. Each week a special committee was appointed to plan the club's activities for that week. Members were encouraged to take individual hikes. Points toward the attainment of a letter were given to those acting as officers, to those serving on a special committee, and to those hiking a certain number of miles each quarter.

## LAW ASSOCIATION

The law association is composed of all the students enrolled in the college of law. The body was organized to obtain prominent legal men as speakers and lecturers, and is the means by which its members become acquainted with men of prominence in the legal profession throughout the country. It also serves to bring the individual members in closer contact with each other and so to establish firmer friendships among them and the members of the faculty.

The group contains about sixty-five members.

## TAP DANCING CLUB

Although primarily organized as one of the clubs of the Womens' Athletic Association for the benefit of women students, the tap dancing club was opened to men as well. Thirty signed up for the first term, fifteen remained faithful, five of which were men.

The demand for tap dancing instructions increased with the opening of the winter quarter, and a beginners class of more than fifty were enrolled. This included about fifteen men and a number of townspeople.

Special entertainment at parties given by the W. A. A. in the gymnasium during the year was provided by members of the club. Miss Vivian Emery, Miss Mary Green, Miss Frances McAlpin and Miss Rose DeGregori delighted spectators with clever novelty numbers.

On the strength of the interest shown by the members of the club and the progress made during the quarter, a review was given by the Womens' Athletic Association in Lehr Auditorium on Saturday, March 29. The show consisted of fifteen acts, five of which were tap dancing specialities. The entertainment proved so popular that a larger beginners class was organized during the spring quarter. Tap dancing promises to be a new and popular form of entertainment on Ohio Northern's campus in the future.

## OHIO NORTHERN PHARMACEUTICAL ASSOCIATION

HERBERT LEICY.....*President*  
CLARENCE BINAU.....*Vice-President*  
WILLIAM SMITH.....*Secretary-Treasurer*

At the beginning of the year 1906 there appeared on the Northern campus an organization known as the Ohio Northern Pharmaceutical Association. From a comparatively meager beginning, the Association has since grown until, at the present time, it is one of the most important organizations on the campus.

The intense interest in pharmaceutical advancement evinced by students of pharmacy, both past and present, is responsible for its rapid growth. Much credit is to be given to the faculty of the College of Pharmacy for the success of an organization such as this. Each year one week is set aside as Pharmacy Week and during this time the annual banquet is held. This is attended by State Officials and men who occupy prominent positions in pharmaceutical societies.

It was this organization that proposed the idea of visiting concerns in order that the students might gain practical knowledge of methods used in the manufacture of pharmaceutical supplies on a large scale production basis. Its efforts in that direction were a factor in making such visits possible.

## OHIO NORTHERN PHARMACEUTICAL ASSOCIATION

Realizing that the success of pharmacy as a profession, depends upon the co-operation of the pharmacists themselves, the O. N. U. P. A. aids not only in securing unity among pharmacy students in attendance at Northern, but also aids in obtaining the co-operation of practicing pharmacists who are graduates of this university. By functioning in such a manner, the association renders a service in the interest of pharmacy and thus fulfills its purpose as an organization.

Various times throughout the year noted men spoke before the pharmic group. These men brought materials of untold values, which each future druggist can use in some way. Representatives from leading drug houses and manufacturing plants of nearby states were secured to discuss topics openly. Among the noted men who appeared were: Dr. Wisely, Lima, Ohio; Herbert A. Smith of Eli Lilly Company, Indianapolis, Ind.; Dean C. A. Dye of Ohio State University. Some of the lectures were illustrated by motion pictures presented by Petrolargar Company.

Perhaps one of the most delightful and highly educational events was the visit to the Park-Davis Plant located at Detroit, Michigan. At this house a thorough examination was given of different processes of drug-making, and the students were given first-hand knowledge about the great field of pharmacy.

It can safely be claimed as a motto for this great body of social workers: "Here to render humanity the greatest of efficient service."

## INTERNATIONAL CLUB

This club has been holding its meetings twice a month since February 17, 1924, for the purpose of developing through its fine programs and fraternal association international good-will and friendly relations between American students and the foreign students on the campus. The motto of the club is "Above All Nations Is Humanity." The Club maintains an Emergency Loan Fund for foreign students in time of urgent need.

Mr. Meerzaga Jaffari, of Persia, is President; David Budin is vice-president; Albert Perlman, student treasurer, and Dean Needy is Faculty treasurer; Carl Frye is secretary and Mrs. Davis is hostess. Mr. Firidun Achki, of Constantinople, and Mr. Manawis, of the Philippines, are the latest members from foreign lands. Fifteen countries are represented in the membership.

## COMMERCIAL CLUB

KENNETH KOHN .....	<i>President</i>
DOROTHY HARMAN .....	<i>Vice-president</i>
EDWIN EVANS .....	<i>Secretary-Treasurer</i>

The Commercial Club of Ohio Northern University was reorganized in October, 1924, and from that time has played an important part in the educational life of the Commercial student, aiming to promote and develop good fellowship among its members and to establish professional dignity.

The Club is a social organization as well as educational. Regular meetings and parties are held, which furnish new ideals of service, and encouraging efforts towards realization of fitting the student to business.

## FRENCH CLUB

The French Club is affiliated with L'Alliance Francaise whose medals may be won by students maintaining high grades of scholarship in French each year. Excellent programs are given the fourth week of each month. The Club has provided two prizes of fifteen and ten dollars to be given at Commencement to the two seniors holding highest grades in French for three years. Leslie Cribley, honor student in French and German, is president of the Club, and Professor Helen Pohle is sponsor.

The Club was first organized at the home of Mrs. Davis, head of the language Department. The motto of the club is "De Mieux in Mieux."

## NORTHERN PLAYERS

This dramatic organization, under the capable guidance of Major Cliffe Deming, is one of the most enjoyed extra-curricular activities of the University.

Membership in the club is won by merit and preserved by loyalty. This looks toward the attainment of Theta Alpha Phi, which is the goal of every dramatist.

Every year Northern Players present for the education and entertainment of the students several plays of worth, some modern and light, others of the claire of Shakespeare.

This year has given "The Doctor by Compulsion," a satire by Moliere with the following cast:

## Y. M. C. A.

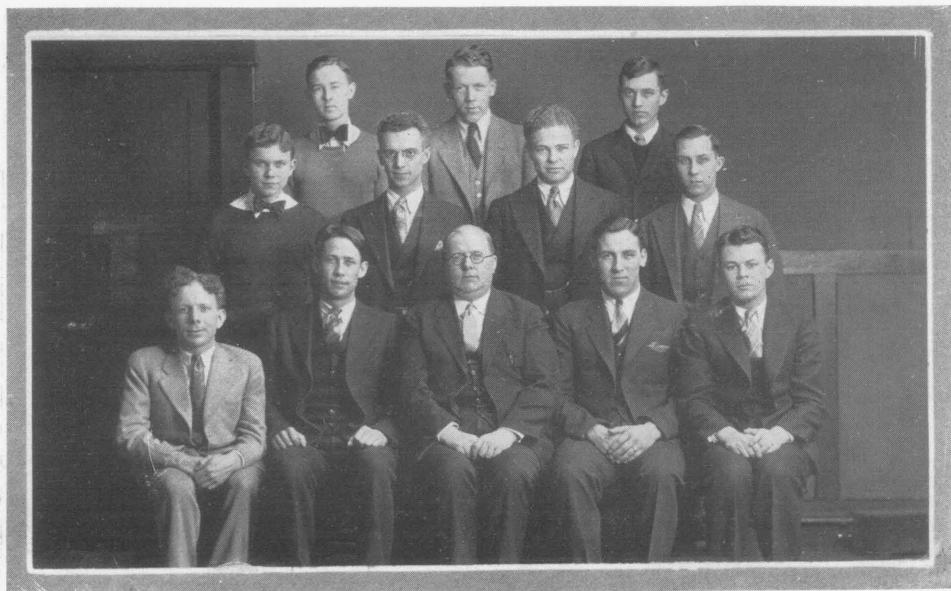

This organization has endeavored during the past year to appeal to all students, especially those who have a desire to make their college career one which will lead to the most complete development possible of the mind, spirit and body.

The purpose of the Y. M. C. A. has been to promote Christian fellowship among the men of the campus, and to bring them in contact in a vital way with Christian ideals and ways of living.

Every Wednesday evening the men meet for an hour of devotion. From time to time speakers of prominence are brought to the campus and this is correlated with leadership on the part of the students themselves.

Besides this the "Y. M." with the aid of the "Y. W." sponsored the big mixer held for the new comers to the campus. The "Y" handbook is a product of these organizations. The Y. M. C. A. maintains a rooming house directory and a student employment agency.

Conveniently located on the campus is the Y. M. C. A. lounging room where the men find a great deal of recreation in chess, checkers, and dominoes. This is accessible to all men on the campus.

## Y. W. C. A. CABINET

The Young Women's Christian Association represents an organization which has endeavored to be truly helpful to every girl on the campus. The "Big and Little Sister" movement fostered by the Y. W. C. A. tends to promote a Spirit of friendliness and has helped many Freshmen girls through their first few days at Northern.

We have learned through inter-collegiate correspondence and also from our sister college in India that we as an organization are but a link in the great chain of national and international organizations. We are fostering missionary work, both in the home and foreign fields, which goes to make up part of our five hundred dollar budget.

Our purpose, "To live unreservedly Jesus' law of love in every relationship of life, and so to know God." Meetings are held every Wednesday night, together with several conjoint meetings of the Y. M. C. A. The spiritual side of the students' life is encouraged to grow and express itself through the help of outside speakers, the professors and the students themselves.

## OXFORD FELLOWSHIP

From its very beginning Ohio Northern University has been known as a Christian educational institution. As such it has welcomed and promoted a religious atmosphere. Students with a desire to cultivate warm religious fellowship have always found at Northern an excellent opportunity. This fellowship is found both in and out of the classroom.

Since 1923 a definite organized group of boys have been loyal to their religious convictions. Coming from a long standing interest they were first organized into the Homiletic club, and in 1927 joined the International Oxford Fellowship. The chapter meets each Monday evening to discuss problems of most concern and to exchange points of view.

Always attempting to creatively interpret life these jolly boys have been a constructive force in many ways upon the campus and in their outside work.

## PRESS CLUB

The Press Club of Northern is an organization established to promote interest in college publications. It tends to train students so that there may always be students qualified and willing to occupy staff positions.

Membership is open to all students interested in journalistic work, and meetings are held each week in order to keep alive such interests on the part of the students.

The club is one of the most active organizations on the campus, and furnishes many kinds of entertainments throughout the year. Many noted journalists are speakers at the meetings. The club serves as a stepping stone to positions on the staff of college publications, and those who work faithfully are awarded a certificate of merit. Members of Alpha Phi Gamma, Honorary journalistic fraternity are chosen from this staff.

## GIRLS' TENNIS CLUB

The Tennis Club was organized in the fall of 1929 as a part of the program for the development of women's athletic activities. A large number of girls showed interest in sport, and these were divided into various groups which met twice a week. Instruction in tennis form was given by Miss Bruckheimer and Miss Bornman. During the fall quarter most of the girls perfected their back-hand and fore-hand strokes. A careful study of the serve was also made.

In the spring quarter a tournament will take place, the winner of which will be presented with a silver cup. Placing and participating in the tournament give points towards letters. The Tennis Club has met with great popularity among the women of the university, and its size and popularity are assured.

## VARSITY "N" ASSOCIATION

### OFFICERS

RICHARD LONG.....	<i>President</i>
EDWARD STICKLES.....	<i>Vice President</i>
NILS MELKERSON.....	<i>Secretary</i>
ROBERT CARPENTER.....	<i>Treasurer</i>

The Varsity "N" is a club composed of those men who have made their letter in varsity athletics. The Club was originally organized as a means of enforcing freshman rules. This was later supplemented by the tooth and claw committee, and thus it has developed into a purely honorary organization. The varsity "N" sponsors the printing of programs for football games.

## MEN'S GLEE CLUB

The Glee Club of Ohio Northern University has completed a very successful season. This is one of the organizations on the campus to which the members give their talent and their time because they are both interested in and enjoy the work. The Club has been created and has thrived on an interest in music alone. It is pleasing to note that the response to the tryouts is increasing each year.

The club has made an enviable name for itself throughout the state. On February 21st the boys took part in the state contest at Columbus, Ohio. Several short trips have been made throughout the year, all of which met with greatest success.

The club wishes to thank Professor Mark Evans for his sincere and concentrated efforts in making the organization as efficient as it has become. We, as members, are truly grateful for the aid given to us by this great director and musician.

## GIRL'S GLEE CLUB

The Ohio Northern University Women's Glee Club is one of the most active organizations on the campus. Not only does the club rank high on Northern's campus, but it has placed second for two years, and won honorable mention the third year in the State Intercollegiate Girls' Glee club contests, which have been held at other colleges during the past three years.

The first out-of-town appearance this year was made at Findlay, Ohio, on February 16th, when the club gave a concert consisting of solos, duets, a reading and group numbers.

On the way to the State contest at Athens, Ohio, the club gave a concert at Zanesville, which was well received. During the return trip, they enjoyed the opportunity of broadcasting over WAIU at Columbus, Ohio. Other appearances during the year were made at Bellefontaine on March 23, and in a presentation of the operetta "The Pinafore," which was given conjointly with the Men's Glee Club and the University Band in Ada.

Officers of the organization are: Manager, Esther Holycross; Assistant Manager Mildred Freeman; Treasurer, Elizabeth Mathews; Secretary, Blodwyn Watkins; Librarian, Miriam Holycross; Student Directresses, Sylvia Shepherd and Lillian Witwer; Accompanist, Betty Irick; and Reader, Bertha Lorentz.

Professor Mark Evans, who is the director, is known throughout the state as a director of exceptional ability, and it is only through his untiring efforts that this club has made such an enviable record.

## GIRLS' DEBATE CLUB

Ohio Northern co-eds have realized one aim; it is that of inter-collegiate debating. One question used by the girls was: Resolved: that the chain store is detrimental to public welfare. The negative was upheld by Helen Whyman, Lillian Witwer and Aloysia Erbaugh; the affirmative by Portia Brownell, Bertha Lorentz, Mary Lou Benge and Mary Wolfrom.

The teams which the co-eds debated on this question were: Miami University, Ohio Wesleyan University, Albion College and Otterbein College.

The question Resolved: That modern advertising is more detrimental than beneficial to the American public, was debated by Janice Conrad and Frorine Baransy of the negative side. They debated with Asbury College and Findlay College.

The woman's debating team has progressed rapidly under the able direction of Dr. Clara E. Scheiber and Professor Cliffe Deming. Ohio Northern women students look for a still greater development in the forensic art.

## O. N. U. DEBATING TEAMS

The year 1929 and 1930 were very successful ones for the debating teams. There was a good attendance at all the conference debates and the quality of debating itself was much better than usual. There are three freshmen on the team, and great things can be expected from them in future debates. Only two men, Ewing and Crawford, are lost by graduation.

The first conference debate resulted in one defeat and one victory, the negative team defeating Bluffton at Northern and the affirmative team being defeated at Wittenberg. The second conference debate resulted in both teams being defeated. The negative at Capitol and the affirmative at Heidleberg. There were four non-conference debates of which three were victories for Northern Teams.

## WOMEN'S ATHLETIC ASSOCIATION

The W. A. A. is an organization formulated for the promotion of womens' athletics. The most notable event of the year was the Play Day at Cincinnati. On March 1st, six auto loads of the members of W. A. A. departed for the Play Day Activities given by the W. A. A. of Cincinnati.

The girls from the six colleges represented were divided into four groups. Those who played basketball were taken to the High School Gym. The others occupied both the Womens' and Mens' gym. Relays and personal challenges were judged and records kept.

Before leaving each college sang their college song. O. N. U. gave a "Thank You" song written to the tune of "If I Had a Talking Picture of You." The entire delegation arrived home in Ada before the sun came up, and as the story runs, a good time was had by all.

## WOMEN'S PAN-HELLENIC COUNCIL

Fraternities for women were re-admitted to the campus of Ohio Northern University in January, 1930. Four groups availed themselves of the privilege and were granted charters by the administration. Theta Phi Delta, Phi Chi, and Tau Kappa Kappa, which formerly maintained groups at Northern, were re-established. Xi Beta Chi was newly chartered.

These organizations were re-admitted by the administration on the following terms: first, only women who are candidates for the A. B. degree or its equivalent shall in the future, be eligible for membership; second, no woman shall be eligible for membership until she has been in residence at the University for one-quarter and has made a satisfactory record for that period; third, the administration reserves the right to place any organization on probation if its scholastic average falls below a satisfactory standard for three consecutive quarters; fourth, the administration charters each organization only in consideration of the fact that the organization pledges unreservedly its first loyalty to the best interests of the University, its devoted efforts for the welfare of the entire student body, and its thoughtful leadership and co-operation in all that will contribute to the strength and dignity of the institution.

In keeping with the policies of the National Pan-Hellenic Congress of Women, the Women's Pan-Hellenic Congress of Northern was organized at the beginning of the Spring Quarter under the supervision of the Dean of Women. Under this plan, each organization will have three representatives: an alumna, a senior, and a junior. The offices of the association will rotate according to the date of re-establishment. Local problems will be handled, and future policies will be developed according to the procedure recommended by the National Pan-Hellenic Congress. Meetings will be held monthly.

Present membership of Pan-Hellenic is:

### THETA PHI DELTA

MARGARET ARBOGAST

### XI BETA CHI

## WOMEN'S COUNCIL

Organized by the Dean of Women early in the Fall Quarter on a basis of class representation, the Women's Council has undertaken during the year two definite pieces of work. Its major responsibility has been that of studying and comparing various systems of college women's self-government organizations, and of working out the first constitution for such an organization among Northern women. A second task has been that of sponsoring various social affairs for the women students throughout the year. During the Fall Quarter the Council encouraged the observance of Freshman Week, later it arranged a special Homecoming Program for Alumnae, and in November it took charge of the University Women's Banquet. During the Winter Quarter the Council sponsored a Christmas Breakfast and Carol Sing, and gave an old-fashioned box-supper for both men and women. In the Spring Quarter, the Council completed and presented the Constitution, and also aided in raising funds for Alumnae Hall.

Women who have made up the Council membership are:

ARVILLA PRATT '30

EVELYN HUSTON '30

MARGARET SELÄNDERS '30

ESTHER HOLYCROSS '30 *President*

MARGARET ARBOGAST '31

BLODWEN WATKINS '31

FRANKIE SMITH '31 *Sec.-Treas.*

FLORENCE BLACK '32

LOIS JEAN JUDKINS '33

## MEN'S COUNCIL

The men's council is a step toward the installation of student government. It is composed of the four class presidents, a representative from the senior class, a representative of the junior class, and the editor of the Northern Review.

The mens council this year made a complete survey of the manner in which the colleges of the state allowed dancing. The results of the questionaire sent to these colleges were presented to the board of trustees at Christmas, but action on this matter was held over until the June meeting of the board. Professor Weber is the faculty advisor.

The council consists of the following members:

R. W. BIGGS

FLOYD GINDLESBERGER

OSCAR JACOBS

JOSEPH WEISS

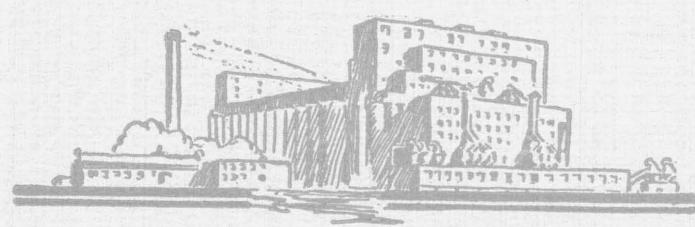

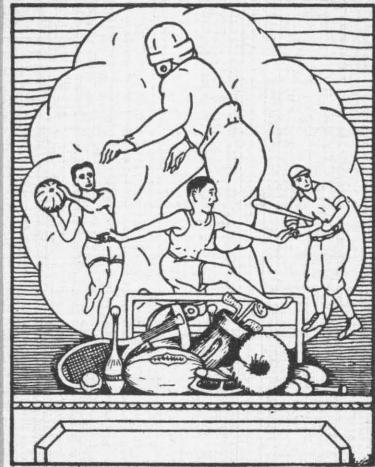

WAYNE WILLIAMS

JOHN GUTKNECHT

CHRISTIAN SCHURMAN

H. J. WEBER

## DIRECTOR OF ATHLETICS

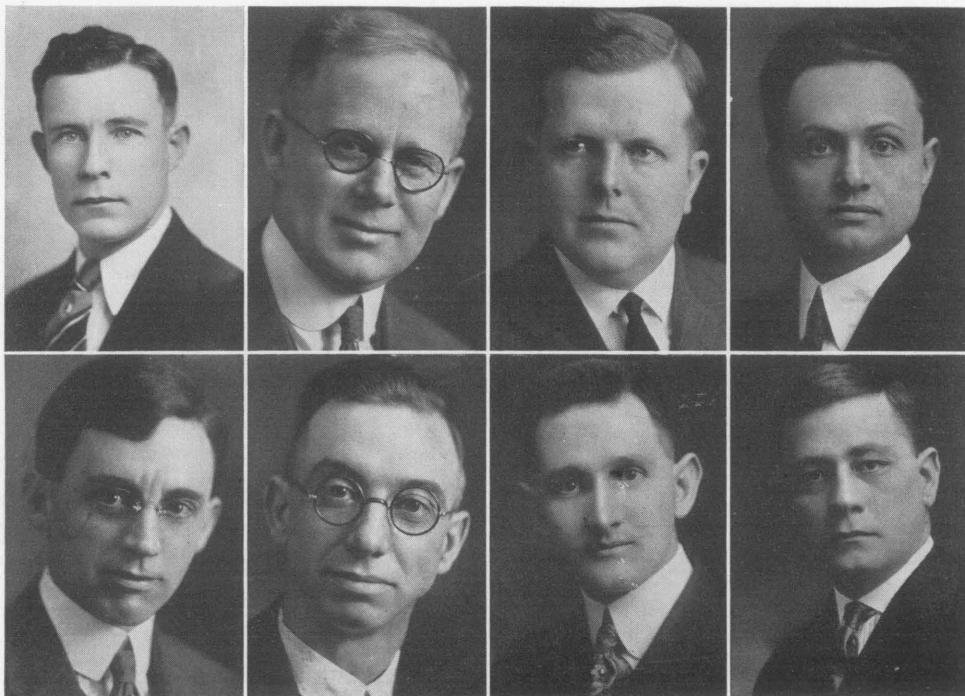

ERNEST MILLER

Coach Miller is a man of wide experience in the field of athletics. He received his B. S. in Ed. and M. A. at the University of Kentucky. As coach he had charge of Mansfield High School for two years, was assistant football coach at Wittenberg, and directed athletic affairs at Defiance College for two seasons. Miller has met with much success as director of athletics and promises more due to the added facilities of the new Taft Gymnasium.

## ATHLETIC BOARD

The Athletic board consists of certain members of the faculty together with the captains and the managers of the sports in season. In their Hands rests all matters concerning the policy and the Management of athletics at Ohio Northern. They decide the elegibility of players and award numerals and sweaters to those athletes who have been recommended by the coaches.

## VARSITY

With only eight experienced letter men and twenty-four additional members, the varsity football squad began the daily drill in the art of handling the pig-skin. Plenty of spirit and fight characterised the Bear's play throughout the season. Clean playing and good sportsmanship were emphasized in all games.

Dunwoody, Messenger, Carey, Gallagher, Peterson, Giessler, Jacops, Kemp, Wier, Von Duyke

#### ROBERT COLE

Although Bob was inconvenienced at the opening of the season with an injured arm, he developed into a reliable and worthy end. He was rather light for this position, but was fast, shifty, and capable of diagnosing plays. Bob will be with us two more years.

#### HAROLD SHELLY

Shelly had the build of a tackle and used it to advantage. It was next to impossible to take him out of a play and opposing runners did well to keep out of his reach. He tackles hard and blocks well. His remaining year of varsity competition should be a successful one for "Klondy."

#### LEE HAMOND

Lee, at guard, played good football throughout the season. His build was entirely in his favor for the guard position, being supplied with plenty of brawn and knowing how to use it. Lee is a conscientious and reliable player; the kind that make winning teams. He will be back next year.

#### JOY KEMP

Kempy, paying his first year with the varsity was a problem to all opposing centers. His accurate passing and blocking on the offensive was greatly appreciated by the Northern's backs. Kemp is a hard tackler, a line smasher of worth, and his general ability stamps him as a coming star. We will hear more from him next fall.

#### EMMETT BOLICH

Through the efforts of Coach Miller, Bolich left Kentucky Wesleyan and came to Northern last year. "Bo" achieved fame while at Wesleyan, having been placed on the mythical "All Kentucky" team in 1927. His first year at Northern was spent in helping Coach Miller demonstrate blocks which he himself had already mastered. This year "Bo" was the main cog in Northern's line, blocking every play that came within his territory. We all look forward with keen interest to his last year of competition.

#### FRANK VON DUYKE

One of the strong points in Northern's back-field was Von Duyke. He was probably one of the toughest men ever to play with the Polar Bears. Although this was his first year with the varsity, his line plunging and blocking were very effective. When he tackled a man it jarred the goal posts.

#### JOHN GALLAGHER

The fact that he was the lightest man on the squad did not keep the spot light from shining on "Deak." His crafty methods and keen judgment of plays kept the Bears in the running time and again. "Deak," playing safety man, was never known to miss a tackle, and his spectacular runs in returning punts stamped him as a real star.

#### JOHN GUTKNECHT

To say that Gutknecht is a great center is putting it mild. He is considered one of the best linemen ever to wear the Orange and Black. Having played good foot-ball in high school, Fritz came to Northern full of fight and football technic. His first year was at guard, but since then he played center at which position he made a name for himself throughout the state. He was given honorable mention on the "All Ohio Eleven" this year, and it is to be regretted that he has played his last year for O. N. U.

#### HOWARD SANDROCK

Everyone was well pleased with the style in which "Sandy" held down the end position. This was his first year on the varsity but his playing equalled that of a veteran. He was always down under punts and was shifty enough to elude blockers and go in for a smashing tackle. We hope to see him again next Fall.

#### OSCAR JACOBS

Although this was "Jakes" first year with the varsity he played the game consistently throughout the season. His vicious tackling and fighting spirit made him a tough man to get around. Jake's ability and determination were displayed in the Bluffton game when he stopped play after play behind the line of scrimmage. He will be with us again next Fall.

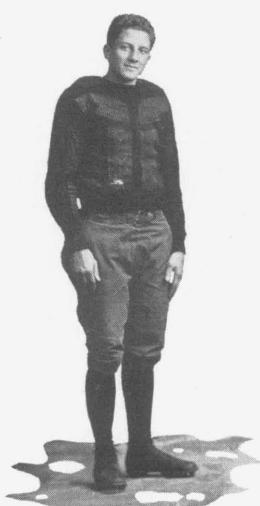

#### DONALD WEIR

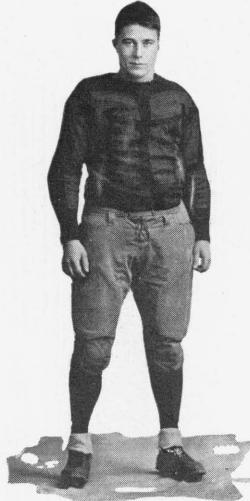

Weir's willingness and determination both during practice and when in games won much favor for him. He has a stalky build and is a hard man to move. His ability for opening holes in the opposing line resulted in many yards gained. With this year's experience, he will be a valuable asset to next year's team.

#### LAWRENCE RAU

"Larry" played nearly every quarter of all the games and was fighting from start to finish. He injured his ankles in the early part of the season but that didn't seem to keep him out of the fight. While playing end there were very few gains made on his side. His ability in snaring passes and running for touch downs made him a valuable man. He gave the W. & J. men a lot of trouble.

CHARLES PETERSON

"Pete" played his first year of varsity football in a creditable fashion. He started the season as a back but his hard tackling and effective blocking made him more valuable as a linesman. His football ability and fighting spirit helped to make the center of Northern's line a real stronghold.

DONALD REIFF

The "Polar Bears" had in Reiff a fast, hard hitting, stonewall tackle. Opposing backs needed plenty of interference when hitting on his side of the line. Reiff has every qualification of a good tackle, being both big and yet able to diagnose enemy plays. Being only a sophomore, we will see more of him on the grid iron.

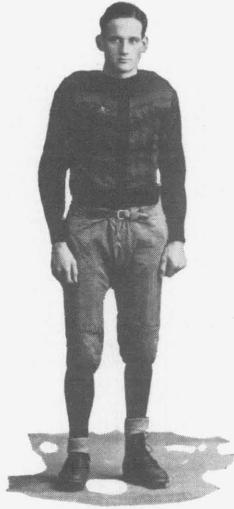

VIRGIL CROWL

The Northern Bears had in Crowl a tackle of enviable quality. He has a powerful build and his charges are very effective. He plays good football and when once determined to get his man, nothing can stop him. We hope to see him again next Fall.

T. A. GIESSLER

Giessler was a valuable man in that he could be called upon to fill several positions. Ted is rather small but makes up for it by being fast and agile. He plays "heads up" ball at all times and is always a problem for the opposition.

#### EMMETT SPITLER

Spitler played end for the first few games but was later shifted to the backfield. He was a hard worker both during practice and in the game. He was quick to grasp the new methods of blocking and used them to advantage. He is an elusive runner and since this was his first year, we will see him shaking off tackles again next Fall.

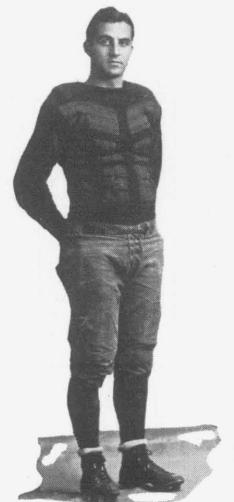

#### JOHN ALLEN

John's regular position was half-back, but could be shifted to quarter when needed. He was a towering pillar of strength on the defense. His broad shoulders, powerful legs and loose hips gained many yards for Northern on the offensive. John, being only a sophomore has two more years of competition.

#### GILBERT GRAHAM

"Red" has the qualifications of a tackle being both rangy and rugged. This was his first year with the varsity and everyone was well pleased with his work. When teams tried plays through Red's side of the line they found it tough going and few gains were registered.

#### CARMAN LANESE

"Carm" earned his letter this year at the guard position. He was in nearly every battle and gave a good account of himself. Lanese was valuable not only because he could tackle and block, but because his wonderful spirit gave fight and pep to his team mates. It is unfortunate for the team that he will graduate in the Spring.

#### WILLIAM MESSENGER

Bill played a consistent game at guard all season. His blocking was exceptionally good and he was adept at breaking through the opposing line and stopping plays. Due to his stalky build he was a hard man to move and very few yards were gained through him.

#### HARVEY GALLANT

This was Harve's second year on the varsity and he came through with colors flying. He played his best games with Cincinnati and Cedarville. His hard tackling at Cincinnati and his broken field running against Cedarville, placed him as one of the regulars in Northern's backfield.

#### HOWARD CRAIG

Good ends are a big asset to any football team and the Bears were indeed fortunate in having a man like Craig to hold that position. He is quick, agile and aggressive. His ability in snatching forward passes and running for touch downs is as hard to equal as his uncanny diagnosis and breaking up of enemy plays. Craig with two years of experience will be a great help next Fall.

#### RICHARD LONG

Northern had in Long a triple threat man that gave the opposition plenty of trouble. His passing, kicking and broken-field running was featured in nearly every game. Dick starred at Cincinnati and was running wild against Otterbein until he was taken from the field with a broken ankle. The Bears will miss this three-letter man next year.

ARTHUR WARREN

Artie's quick and cool decisions in calling plays were the source of many gains for the Bears. His strategy had the opposition guessing in nearly every encounter. Not only was Artie a sure tackle and good blocker, but was one of the principle ground-gainers on the squad. It was indeed unfortunate for Northern that he received a serious injury to his knee and was forced out of play for half of the season.

NILS MELKERSON

Here is a boy who really knows football. His cool headedness and lasting determination have set an example that would be well to follow. Swede's elusive running, his smashing line plunges and driving tackles are proof of his knowledge of the game. No coach could ask for a more proficient back-field man.

EDWARD CLARK

Clark played a great game at halfback. His kicking was an asset to Northern, for he had that unusual ability to place the ball so that it would roll out of bounds near the goal line of the opposing team. Even more brilliant playing is expected next year.

## BLUFFTON — SEPT. 21

Northern's first pre-season game was played at Bluffton. The game as a whole was good and gave the coaches much promise of a successful season. A pass to Craig in the first half netted Northern six points. The extra point was missed. Jacobs, Bolch and Craig played a great game on the line while Warren, Gallagher and Gallant were the principle ball carriers. With second string men playing the last half, Bluffton threatened to score but a quick substitution of regulars checked the advance and the score ended 6-0.

## WASHINGTON AND JEFFERSON — SEPT. 28

The Bears journeyed to Washington, Pa. to meet the strong W & J team in their second pre-conference game and succeeded in holding them to a much lower score than several big schools in the east. Northern's fumbles early in the first quarter cost them two touch downs. They came back strong however, completing two passes for a total of thirty-one yards and threatened to score, but lost the ball on an incompletely passed over the goal line. With Capt. Dowds paving the way, W & J scored once in each remaining quarter by passes and a blocked punt. Northern's defense showed strength but the offense was not functioning. The final score — 33-0.

## CINCINNATI — OCT. 5

On the illuminated Carson field at Cincinnati, Ohio Northern played what proved to be their best game of the season. They out-played, out-kicked, and out-ran the Bearcats in every minute of play and were held in check only by the numerous penalties which placed the ball in scoring distance for the opponents time after time. Cincinnati scored early in the game around end. Northern due to Clark's punting and Long's and Warren's ball-carrying, evened the score. In the remaining periods Northern had the edge until the final minutes when a penalty gave the Bearcats the ball on the five yard line with four chances to score. They made it on the last attempt and the game ended 12-6. Gallant's hard tackles and Bolch, Gutnecht and Peterson's stone wall defense were outstanding points of the game.

## CEDARVILLE — OCT. 12

Northern had little trouble in defeating Cedarville 26 to 6 in the first home game of the season. The Bears on the front wall tore the opposing line to shreds while Harvey Gallant scored twice in the first period on straight line plunges. The entire Orange and Black line again opened up in the third and fourth quarters and paved the way for a touch down in each; Von Duyke carrying the ball over following some fine runs by Long. Cedarville also scored in the third period and threatened again in the fourth against second and third string linemen but Northern held and Clark punted out of danger. Dunwoody, Gutknecht, Messenger and Reiff played fine foot-ball.

## OTTERBEIN — OCT. 19

Nearly three thousand spectators witnessed fifty minutes of the poorest football ever exhibited by a Northern team in a homecoming game in the encounter with Otterbein. It was not until the last ten minutes with Otterbein leading 6-0 that the Bears played the type of game that they were capable of. Gallant put fight in the team with one of his flying tackles at this stage of the game and they snapped into action. Long, aided by some fine blocking by Melkerson broke through for forty yards. From there Bolch covered a blocked kick for a touchdown. Long again broke through for gains and a long pass from Gutnecht to Craig scored Northern's second touchdown. Northern's lead was soon overcome however, when Burke of Otterbein returned Gutnecht's punt 62 yards for a touchdown. The try for point was good, winning for the visitors 13-12. On an off tackle play a bone was broken in Long's foot which put him out of the games for the remainder of the season.

## WOOSTER — OCT. 26

Playing Wooster, one of the fastest teams in the State, the Polar Bears suffered a stinging 32-7 defeat in the third home game of the season. During the first quarter it appeared to be a closely matched contest with Bolch, Von Duyke, Messenger and Gutnecht playing air tight ball. From then on the Bears defense weakened and Wooster scored twice in the second quarter, once in the third and twice in the fourth. Long gains around end, off tackle and by the aerial route were responsible for the visitors scores. Northern's score came in the last period from a recovered fumble, a beautiful pass, Gallagher to Life, an other pass and three line plays with Melkerson carrying it over. Craig, Lanese and Allen played their usual good defensive game.

## BALDWIN WALLACE — NOV. 2

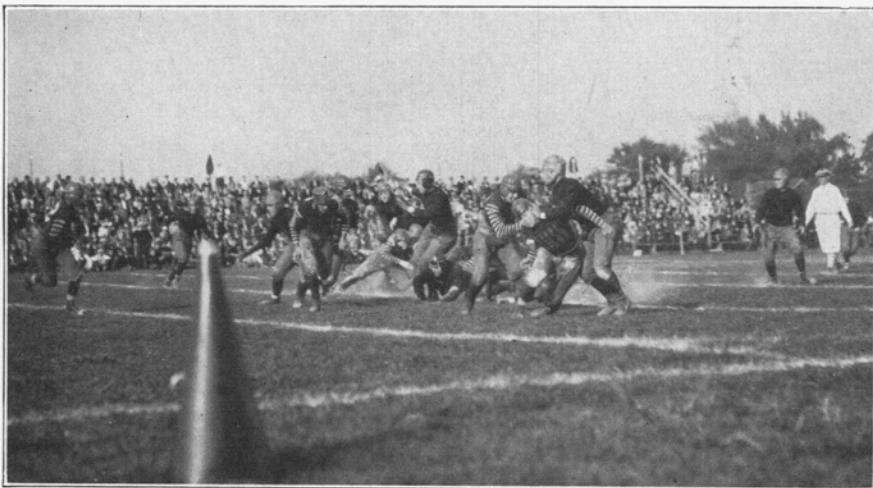

The Miller-men journeyed to Berea with nothing in mind but to smash the clean record of the Baldwin Wallace eleven. Although the Orange and Black gridders did not win the game, they succeeded in battling the unbeaten Yellow Jackets to a scoreless tie. The score, however, does not tell the real tale since statistics show that the Bears had the better of the argument in nearly every respect. They totaled six first downs to the Bereans five and gained nearly ten yards on each exchange of punts. The game was marred by many penalties and some fumbling with Northern the aggressors in the latter. The Bears played most of the game in enemy territory and four times were within scoring distance but lacked sufficient strength to put it over. Allen, Von Duyke and Melkerson were the principle ground gainers with Bolch and Rau leading the front wall attack.

AKRON — NOV. 9

Before a crowd of four thousand people the Polar Bears went down to defeat at the hands of the fleet Akron Rubber-Men by a score of 19-0. On the first play of the game a pass, Allen to Craig, made a first down but for the remainder of the period the Bears, although they could not make many gains, succeeded in displaying a great defense and easily held the Akron backs in check. The Zippers scored twice in the second quarter with the Bears coming back strong with two first downs as the half ended. Kemp was playing a great game at center with Allen and Melkerson making some fine runs. Following another drive by the Bears in the third quarter, Akron intercepted a pass and scored their final touchdown. The Miller-men fought hard in the final quarter, displaying some fine football, and were deep in Akron's territory as the game ended.

HEIDELBERG — NOV. 16

Playing their last game of the season and the last game in the college career for some of the players, the Bears lost to the big red team from Heidelberg by a score that in no way truly portrays the encounter. After the visitors had scored once in the first quarter, the crippled Bears came to life and opened up a dazzling off tackle and aerial offense, Rau grabbed a well-timed thirty-five yard delayed pass by Allen for a touchdown. Another similar pass to Sandrock threatened, but he was down on the fifteen yard line. Although the invaders could make no gains through Bolch, the Carolinian, they found other means of attack and scored again in the second quarter and twice in the third. Allen's and Gutnecht's defensive work was outstanding while Sandrock, Lanese and Peterson came in for their share of the tackles. Score 24-7.

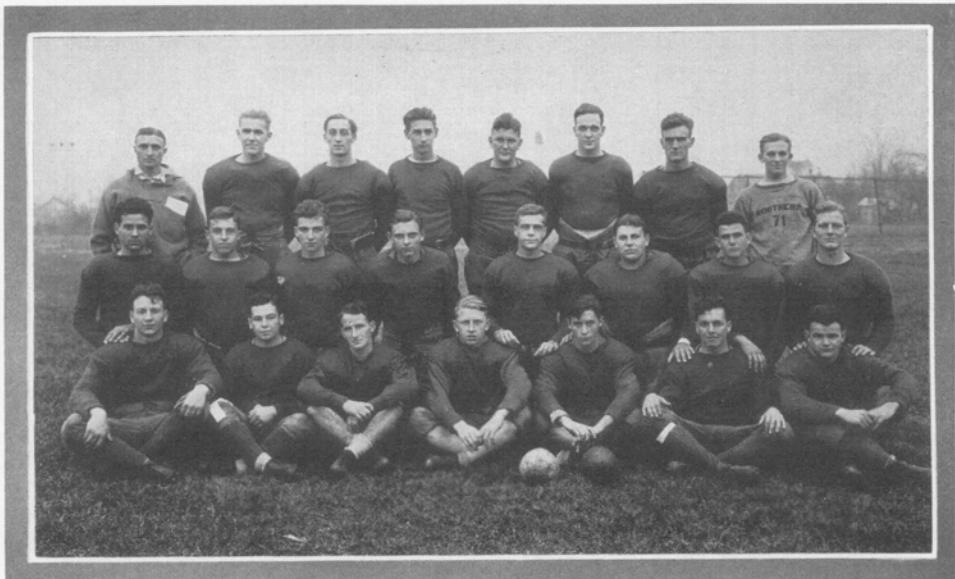

## FRESHMAN FOOTBALL

At the first call for football men, a large crowd of freshmen swamped Coach Lamb. Each Freshmen was intent on earning the much coveted numerals. Freshman numerals are in the form of a brilliant green slip-over sweater.

Each night the squad went through a tiring workout against the varsity, and deserves much praise for the help they gave in putting the Polar Bears in fighting trim. The men also received a good drilling in the fundamentals of football, including handling and passing the ball, art of line plunging, punting, stance on the line, and other like training.

This year's Freshman team should be the source of plenty of good material for this coming fall's varsity. With all the good material available for football teams there is no reason why Northern should not produce a championship team.

## VARSITY BASKETBALL SQUAD

The 1930 Basketball prospects looked very dark to Coach Harris Lamb when his scanty-clads first took to the court. The beginning of the season found Bill Dailey ineligible, Dick Long, with a broken leg and Larry Rau with an ankle in very bad shape. Jacobs also suffered injury to his shoulder which held him down considerably during the early part of the season.

Eddie Stickles, Bob Francis and Tom Quin were the veterans about whom the 1930 seasons fate rested. Considering these early misfortunes a very successful season resulted. The Bears will suffer the loss of three seniors this year, however due to these early injuries many men have played time in games and received valuable experience. Watch these boys turn in the wins in 1931.

### BLUFFTON AT BLUFFTON

The Bears opened the season at Bluffton. Though the team lost by a margin of seven points Coach Lamb was able to see all of his squad in action. Roscoe Smith was the high point man for Northern. Final score, Bluffton 32, Northern 25.

### MARION AT ADA

The squad played a practice game with a group of ex-high school players from Marion. It was a ragged game, neither team showing much form. The scorer made a mistake in reporting a free throw, ending the game in a 32-32 tie.

### TRANSYLVANIA AT ADA

Northern opened the official season at Taft Gymnasium with a victory over Transylvania College of Kentucky. The game was close and well played. The passing of the Northern team was outstanding and the defensive work was a vast improvement over the previous games. The Bears allowed by a few close-in shots. The final score was 24-23. Roscoe Smith led with a high point score of 10 points.

### HIRAM AT ADA

The official conference opened January 10th with Hiram winning in a close and hard fought game 28-27. The Bears led until the last minute when a Hiram guard sank a long shot from the center of the floor. Stickles, Smith, and Long led in the scoring.

### BOWLING GREEN AT BOWLING GREEN

Northern won from Bowling Green Normal 29-27 on the following night. The Bears held the lead until the last few minutes of play when Bowling Green forged ahead. Pilkington was substituted and won the game for Northern when he made nine points in quick succession. Pilkington was high point man with nine points.

### CAPITAL AT COLUMBUS

January 18th the Bears journeyed to Columbus and lost to the strong Capital team 41-37. By the excellent playing of Jacobs and Roscoe Smith. Northern led most of the game each counted 14 points.

### ASHLAND AT ADA

The undefeated Ashland quintet won from Northern January 24th 32-31. It was a fast and well played game Ashland having a very strong defense while the Bears used man for man assigned. The score at the half was tied at 19 all and the last half the lead jockeyed back and forth. Captain Dick Long made 7 field goals and played an air type defensive game. Smith scored ten points and Jacobs and Stickles played good defensive games.

### BOWLING GREEN AT ADA

The Bears lost another close game 38-35 in Taft Gymnasium. Smith was again high point man with 10 points to his credit. Jacobs played his usual good game driving in for close shots. Dick Long scored four field goals and one free throw in the last half. The team seemed to weaken in the last few minutes of play and Bowling Green won as a result of making good three short shots in rapid succession.

### OTTERBEIN AT WESTERVILLE

Captain Gibson and his mates took Northern into camp 27-23. Gibson, left handed forward of the Otterbein team, made 16 points. Northern's squad were off form and poor passing and defensive work lost the game for them.

### MUSKINGUM AT ZANESVILLE

The Polar Bears won their first conference game from the Muskies 41-38. The team were on their toes from the first to the last of the whistle in the ensuing forty minutes a real thrilling game took place. Captain Long displayed real form and made baskets from every angle scoring a total of 16 points. Kenny Jacobs played a wonderful game and in the second half scored four field goals at a time when the Bears badly needed a point. Quinn and Stickles played strong defensive games.

### BLUFFTON AT ADA

Northern's squad looked bad in the Bluffton game. Playing away off form in shooting and all other phases the game was an easy win for the Beavers. Jacobs won scoring honors with seven points to his credit. Sitckles and Quinn make six points each. The gun found Northern at the short end of a 28-22 score.

### CAPITAL AT ADA

After outplaying Capital for three quarters of the game the Northern squad weakened to lose by a score of 37-33. The Capital center, Mechling, seemed impossible to guard and scored a total of 16 points. Long and Stickles made 11 points each for the Bears.

### OBERLIN AT OBERLIN

Oberlin defeated Northern 26-20 in a loosely played and uninteresting game. Stickles led the team scoring seven points.

### OTTERBEIN AT ADA

Northern closed the season by turning in a win over Otterbein, 34-33. Fritz Gutknecht starred when he stopped Gibson, star Otterbein forward, beat the Bears by scoring 16 points against them at Westerville. Jacobs, Stickles, and Smith played outstanding basketball. It was the best home game of year.

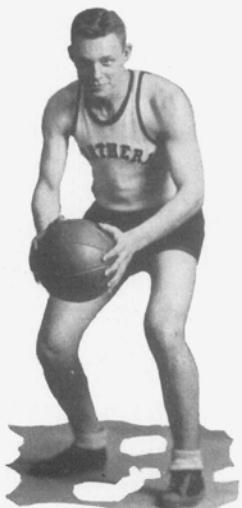

#### CAPTAIN DICK LONG

For the first time in a number of years the Polar Bears elected a basket ball captain, and the man selected was Dick Long. Dick played three years of stellar ball, and was the main stay at the center position. Dick was greatly handicapped this year by a broken leg acquired during the football season. Even with this bit of hard luck he played outstanding ball. It is regretted by Northern fans that Dick Long is to be lost by graduation.

#### EDDIE STICKLES

The loss of Eddie Stickles, running guard par excellence will be greatly felt by Northern mentors next year. Eddie is another three-year man whose fine playing was a feature of every game. Close guarding, ability to score, when in a tight place, and ability to work the ball through the first line defense are characteristics which will be remembered by the basket ball fans.

#### FRITZ GUTKNECHT

Fritz, playing his first year of varsity basket ball, proved himself to be a valuable back guard. His uncanny ability at taking the ball from the back board many times gave the Bears possession of the ball at critical points of the game. His consistent hard playing has been a very valuable asset to this years team. Not many were able to get around Fritz for a short shot.

#### KEN JACOBS

Ken Jacobs, one of the most aggressive forwards of the team, distinguished himself by his ability to grab the ball from the tip off. Accurate passing, ability to make all short shots, and the art of holding his man to low scores while on defensive mark his playing. Ken will be back to help the bears again next year.

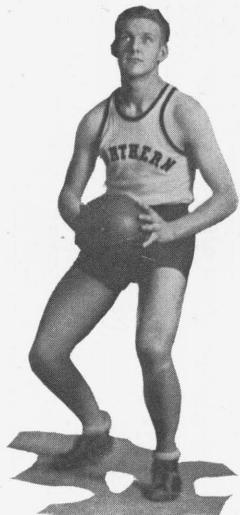

#### TOM QUINN

Tom Quinn, lanky center who has just completed his first year as a varsity regular, made himself valuable at both center and forward positions. He utilized his height to great advantage, and his accurate passing aided in getting the ball quickly in to scoring position. Tom is a good "team" man and a great asset to passing combinations.

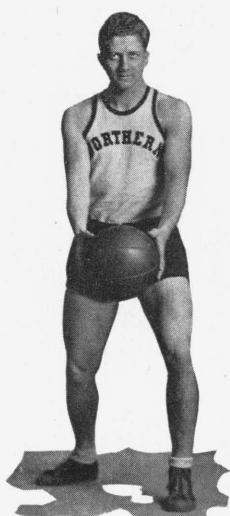

#### BOB FRANCIS

Bob, veteran of last year's squad, played at guard. Although he did not play in every game, he could be counted on to play consistant ball when needed. Good passing and ability to jump when the ball was tied helped many times to put the ball in the hands of the Bears. He will be back next year, and his experience should help next year's team greatly.

#### ROSCOE SMITH

Little Roscoe, the smallest as well as the fastest basketeer on this year's squad, by his all around playing made himself a regular. Although only a sophomore he promises great things in the two years of basketball that remain to him. Good floor work accurate passing and ability to score by both long and short shots made him a valuable player.

#### LARRY RAU

Larry Rau, Sophomore guard with two more years of competition awaiting him, looks promising as a regular next year. His size, connected with speed and ruggedness make him a natural born player. Trouble with an ankle handicapped him greatly this year, but watch him go in Nineteen Thiry-One.

#### DWIGHT PILKINGTON

"Pilk," an outstanding player of the fraternity league of last year, made the varsity squad and proved an aid to coach Lamb both in the development of the squad and in pulling the first Bowling Green game out of the fire for Northern. He is lost through graduation this year and his splendid spirit and fight will be greatly missed.

#### MERVYN PEES

"Merf," another Sophomore who made the squad this year, gained much valuable experience. He is a dead shot and next year should be a valuable forward.

#### EDCON HINKLE

Hinkle, a running guard from the frosh squad of last year, has mighty good prospects for the team next year. He has the qualities of a wonderful guard and with an improvement in shooting he would be assured a regular berth next year.

#### JOHN ALLEN

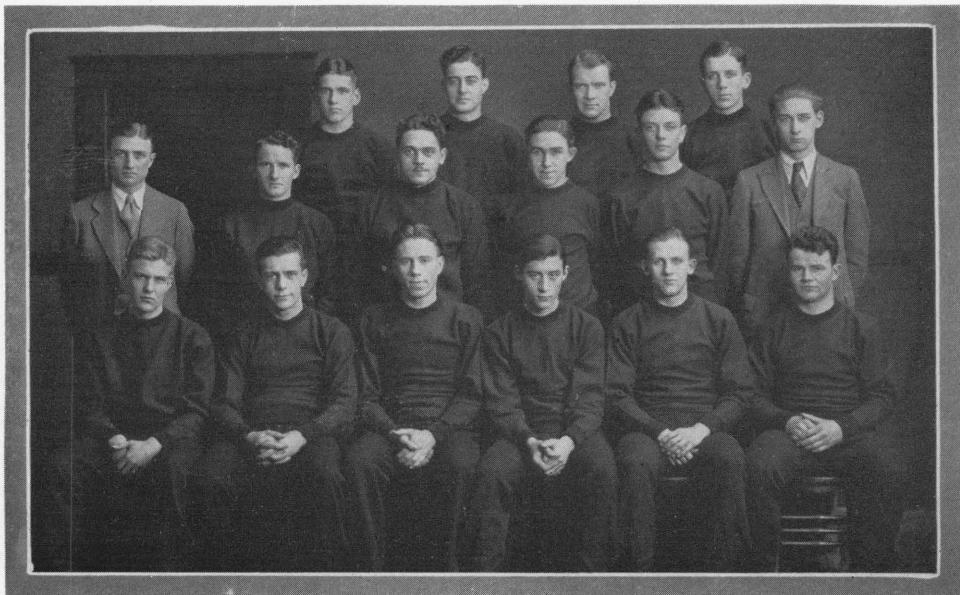

Johnny, who played time in almost all of the games this year, was a reliable guard. He was one of the fastest men on the squad and breaks in for short shots in great style. He will be back for two more years of playing and he should make a name for himself in the Ohio Conference.

### FRESHMAN BASKETBALL

At the beginning of the basketball season of 1930 around eighty-five Freshmen reported to Coach Clyde Lamb for practice. Since the facilities at Taft Gymnasium can not accommodate such a large number, the squad had to be cut to twenty-five. With such a limited cut many good men were eliminated. Others preferred to play intramural ball, and could not play on the squad.

The freshmen season consisted of daily practices with the varsity and the playing of a number of practice games. Although the Freshmen were no match for this years' varsity they were in the games giving their best at all times. Practice games were played with several of the leading fraternity teams all of which the Frosh were to able to win.

Coach Harris Lamb is expecting some promising men from the Frosh squad of this year.

## GIRL'S BASKETBALL

Coach Bruckheimer's call for players was answered when fifteen co-eds reported for practice. Of this number six were varsity players. After hard scrimmages and drilling plays, the co-eds encountered their opponents. An outstanding event in the season was their journey to Slippery Rock, Pennsylvania, which was sponsored by the coach, the game being mainly for experience.

Mildred Battles was chosen by her team mates to act as captain, having held this position last year. Martha Goodman, of last years varsity team, was appointed manager with Dorothy Shuster as her assistant. The girls pictured were chosen to form the squad representing the Bearettes this year.

A schedule of seven games were played and a total of four victories was recorded. Considerable credit goes to Coach Bruckheimer due to her persistence and ability.

## CROSS COUNTRY

This is rather a new sport in this county, but great strides in development have taken place in the last few years especially here at Northern. The student body were always back of the team with their loyal support.

Having three veterans, Pankow, Stewart, and Morrow, Coach Lamb had no trouble in selecting his men. The following were his choice: Pankow, Stewart, Morrow, Shoop, Connelly, Barnes, and Parish.

The showing that the team made deserves a lot of credit, though they won but one meet and losing three by close scores. The team placed these men in the first ten in the Big Six at Muskingum.

About twenty freshmen reported for cross country. Those winning numerals were Vlad, Baldamenti, Gleemino, Shipman, Bradley, and Miller.

## FENCING TEAM

Under the experienced leadership of Professor Cliffe Deming, Northern's first fencing team materialized in this school year. Professor Deming took an active part in the formation of the Ohio Intercollegiate Fencing Association on which the following schools are charter members: Antioch College, Ohio Northern University, University of Cincinnati, and Wittenberg College.

### BOXING TEAM

Boxing is another sport that has recently entered the athletic curriculum of Ohio Northern. This class is under the efficient supervision of "Joe" Rivers. Boxing, as well as teaching one the actual protection of ones self, also instills into the heart of men self reliance and respect.

The class holds regular meetings each week. Here the fundamentals as well as the finer details are taught to the men desiring to learn something about this sport.

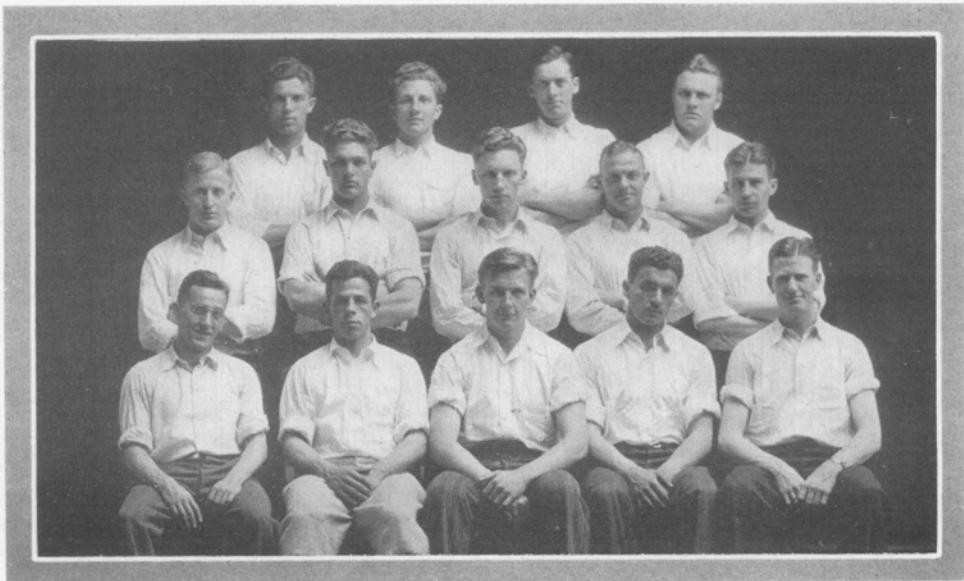

Although there are no intercollegiate boxing matches, small bouts are arranged between members of the class. This teaches them to use the knowledge and details in reality that they have learned from the instructor.

INDOOR BASEBALL FRATERNITY LEAGUE  
THETA NU EPSILON—CHAMPIONS

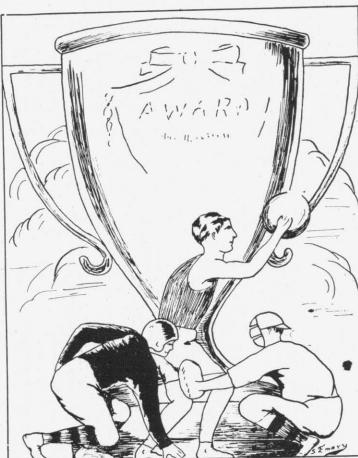

Due to lateness in completing the playing schedule of intramural games this is the only picture to appear in the 1930 Northern. Theta Nu Epsilon won out in the closest race for league championship ever played. It was necessary to play off a miniature "worlds' series to determine the winner."

The T. N. E's, A. E. Pi's and Delta Sig's played a three game series and the final game found the T. N. E's and the A. E. Pi's fighting for first place honors. The score ended 9 to 5 in favor of the Gilbert Street Champions.

## INTRAMURAL SPORTS

Intramural athletics have progressed by leaps and bounds during the past year. Three new sports were added to the regular program of former years. These sports have served a real purpose in the University life in that it has furnished athletic competition to any number of students who desired it.

The games were well followed by almost every campus organization. A few of the sports were for those who were expert in that particular line but for the larger part the student body took the greatest of interest even in those sports in which they did not actually take part.

A chart showing the actual number of men participating in games during the year.

Handball.....	56
Free Throws.....	95
Basketball.....	110
Campus League.....	100
Volley Ball.....	75
Track.....	50
Total.....	486

Coach Harris Lamb director of intramural sports was the man responsible for instituting the changes made in the system. Robert David was appointed Senior manager and had as his assistants Harry Raison, Carl Boyle and Sanford Newman. One of these three will be selected as senior manager for next year. The senior manager was placed in charge of financing the sports, arranging schedules and time allotments on gymnasium space.

A plaque or cup will be given the winning team of each individual sport as well as a large one known as the All-Sports Trophy. The winning of this cup is based on the point system. Thirty points are given to the team winning first place in a sport, second place counting twenty-five and thus on until eleven places are counted. The Theta Kappa Phi team are in the lead at the time this goes to press with two first places.

## INTRAMURAL PROGRAM 1930

The Intamural program opened with handball as the first fall sport. Eleven fraternities entered teams and all of the games were hotly contested. Theta Kappa Phi defeated T. N. E. in the final round to win the cup for this league. A. E. Pi and Sigma Delta Kappa were represented by very strong teams. In the Campus League the Pill Rollers defeated the Five Brothers in a very close game to win honors in that division. Witold Hafczuk, one of the players of the Pill Rollers won the University championship in the singles tournament defeating Bernard Cramer for this honor. In all fifty six men took part in the handball games.

### BASKETBALL FREE THROW CONTEST

The free throw contest resulted in a win for the T. N. E. team. 100 shots were given each team and the ones scoring the most were declared the winners. The S. S. A. C. won the championship scoring 55 out of a possible 100. This gave the campus league a better average than the Fraternity circuit. The Greeks made good only 48 shots.

### BASKETBALL AND VOLLEY BALL

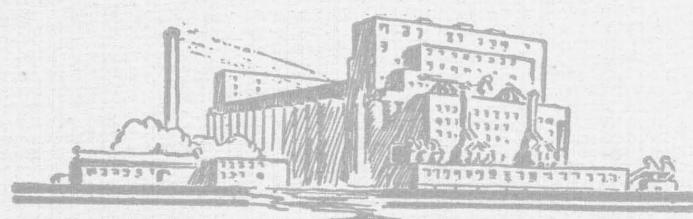

In the winter quarter the basketball and Volley ball season opened with good teams in each sport. The men were allowed to take part in only one sport. Over 275 men were active in these two events. Theta Kappa Phi again came to the fore and won the cup in the fraternity league. The College Inn team went undefeated in the Campus league to collect all of the glory from that division. Delta Sigma Phi, Theta Nu Epsilon and Phi Mu Delta were in a three way tie for second place in the fraternity league while the Brunswicks suffered but one defeat in the Campus league to win second place.

### TRACK AND INDOOR BASEBALL

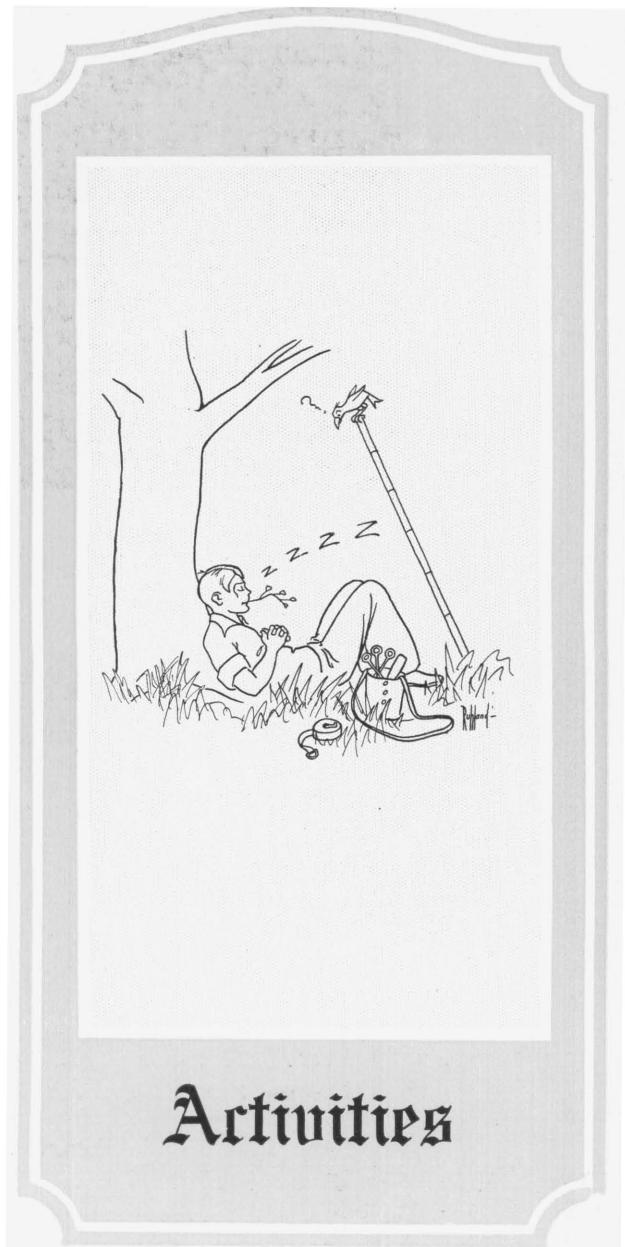

The book goes to press too early to print the result of the 1930 track and baseball result. Theta Nu Epsilon won the Track meet defeating her nearest rivals the Theta Kappa Phi 60 to 48, in the 1929 competition.

## "ALL OHIO CONFERENCE" BAND

The Band enjoyed a most successful season under the directorship of Dean George Strickling. The season opened with a concert at the Bellefontaine Fair. During the year many concerts were given in nearby cities. The most notable appearances of the band at Northern were at the fall term concert, at homecoming, and at the spring term concert.

At the Fall Term Concert the band triumphed with many new numbers, including "Jean de Paris," "Adoration," "La Czarine," "March Funebre," and "Way Down South." The last two numbers were written by Dean Strickling.

During homecoming the band presented many new march numbers, and exhibited some very clever marching between halves of the game. In the evening they gave the usual concert at Lehr in which the old band men were asked to "sit in" on the concluding number.

The Spring term concert featured the Operetta "Pinafore." Vocalists were selected from the glee clubs, and from the choral societies. This presentation was also under the direction of George Strickling. Dean Strickling is well liked by all the members of the band and has more than proven his ability as a musician during his short acquaintance with the college.

Ohio Northern's orchestra enjoyed a very successful season under the direction of Professor Walter Willihnganz. The orchestra made numerous appearances in chapel during the year and was well received. The most notable performance was the concert given at Presser Hall on December 11th. Many delightful compositions were played at this time. These included "Prelude to L'Arleiene," "The March of the Three Kings," and several selections from "Sigurd the Crusader."

Mr. Dale Gilliland met with much applause in his vocal solo "An Arab Love Song," This Number was composed by Professor Willihnganz, and was sung with orchestra accompaniment.

## TURNER HALL

Turner Hall, the first residence of Ohio Northern University for women students, is named in honor of Mr. and Mrs. Perry W. Turner, distinguished residents of Ada, through whose generous co-operation it was purchased in January, 1930. Built originally by Dr. Henry Solomon Lehr, it is rich in traditions of the University, the names of Sen. Simeon D. Fess, and Sen. Frank B. Willis being among those written on the pages of its past.

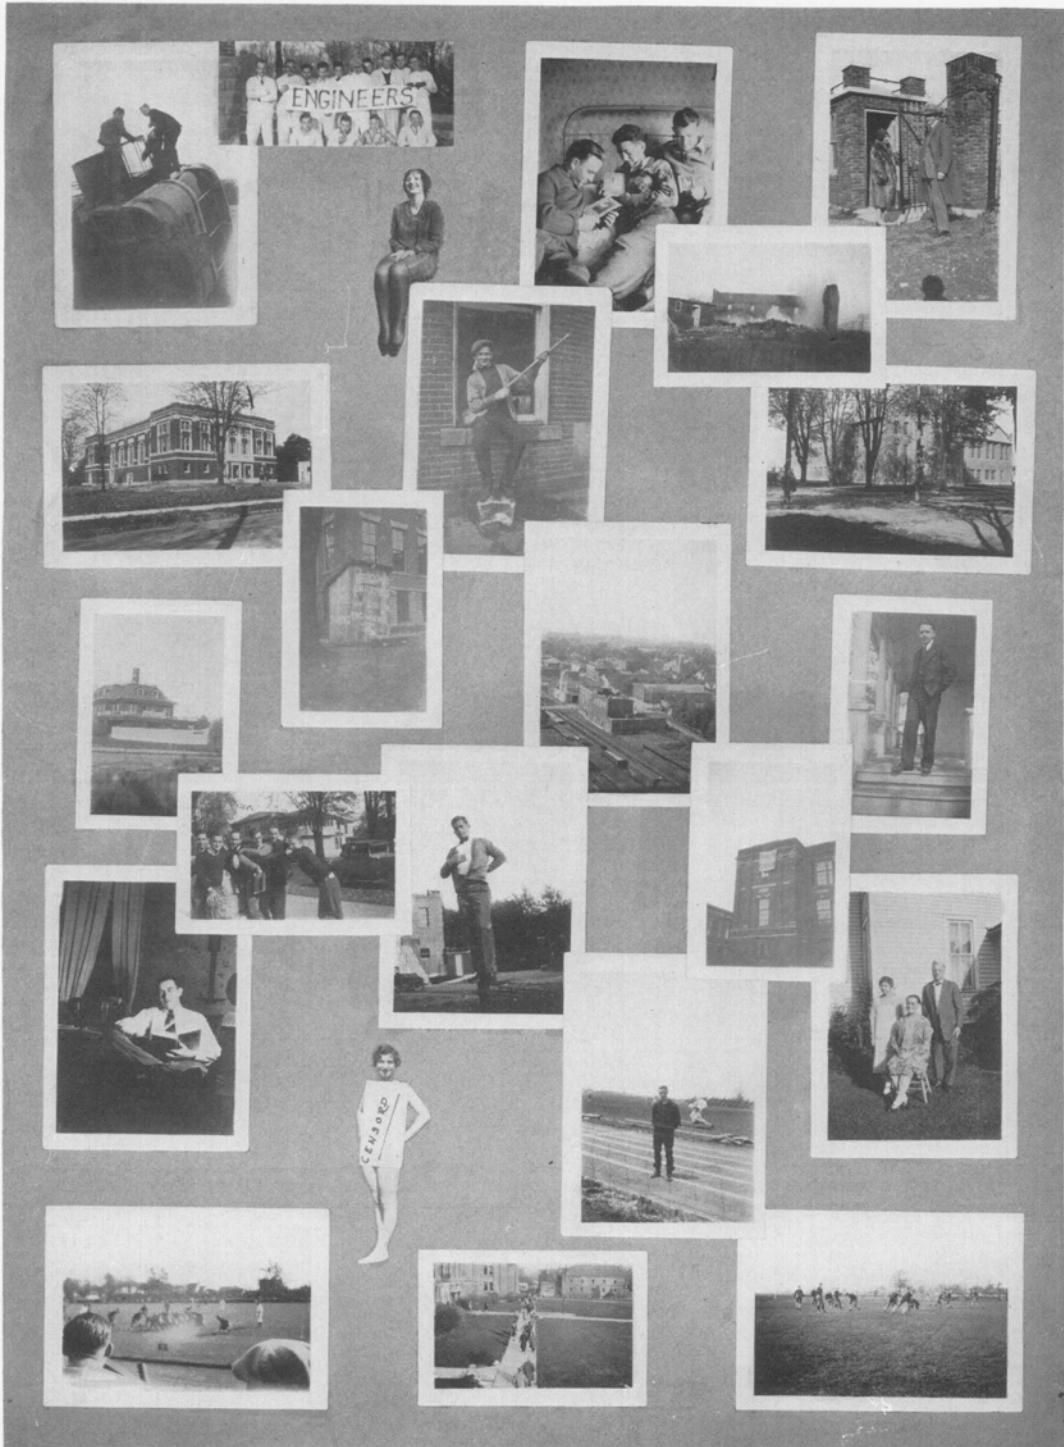

At the beginning of the Spring Quarter 1930 Turner Hall was first occupied by fifteen young women together with two House Directors, Miss LaVerne Daring, Assistant Treasurer, and Miss Alice Moore, Instructor of the College of Music. House officers are Miss Evelyn Huston '30 of Alger Ohio. President and Mrs. Frances Ausberger '32 of Columbus Grove Ohio Secretary-Treasurer.

With its every detail of equipment and furnishings planned for the social and intellectual convenience of the student, Turner Hall offers surroundings conducive to a high type of cultural living.

## CALENDAR

## SEPTEMBER

9th This day was especially designated as Freshman Day, for the purpose of registration and to make the new students feel more at ease. The program was both musical and prosy. The upperclassmen no longer make a haul-in from the sale of chapel seats. Since the "Short Line" is no more, they lose an added source of income and amusement.

10th. Ye old campus is coming to life. Familiar faces again appear.

11th. Chapel again. Freshmen appear faithfully, but the upperclassmen are wise and enjoy a morning siesta.

12th. "Welcome Park" holds out a most gracious welcome to both old and new students.

13th. "Friday, the 13th." Was it the jinx? The big University Mixer spoiled all that. Many a young hero found out about the "fair, young damsel."

14th. The Freshmen with the stout hearts find out the agonies of a week-end in Ada. Library is open all day now.

15th. Some of us went to Sunday School and most of us to the Service at Lehr.

16th. What a place the library is at night. It is the place for the making and breaking of dates.

17th. Show at Lehr. "The Woman Disputed."

18th. First issue of the *Northern Review* with Wayne Williams at the helm. Sigma Pi's entertained with a smoker at the chapter house.

19th. O. N. U. Women's Council formed. Sig Ep smoker for freshmen and new men of the university.

20th. Great weather for bumming.

21st. Annual practice tilt with Bluffton. 6—0 victory. Northern was well represented. It is easy bumming to Bluffton. New York Club smoker.

22nd. Just like every other Sunday.

23rd. Blue Monday. Take a tip, Profs., they are every bit as blue for us as they are for you.

24th. Faculty Women's tea for Freshmen girls.

25th. Class meetings held to nominate officers. Discourse in chapel about refraining from coughing when someone is talking.

26th. Music morning. Delta Sigma Phi entertained with dinner for Dr. Williams and their faculty brothers and wives.

27th. Band went to Bellefontaine. Rev. Kennedy told us about inferiority and superiority complexes in chapel.

28th. Game at Washington and Jefferson. O. N. U. goes down to defeat.

29th. What a day to sleep (in bed not in church).

30th. M. E. Davis gave her quarterly talk on the evils of Northern students.

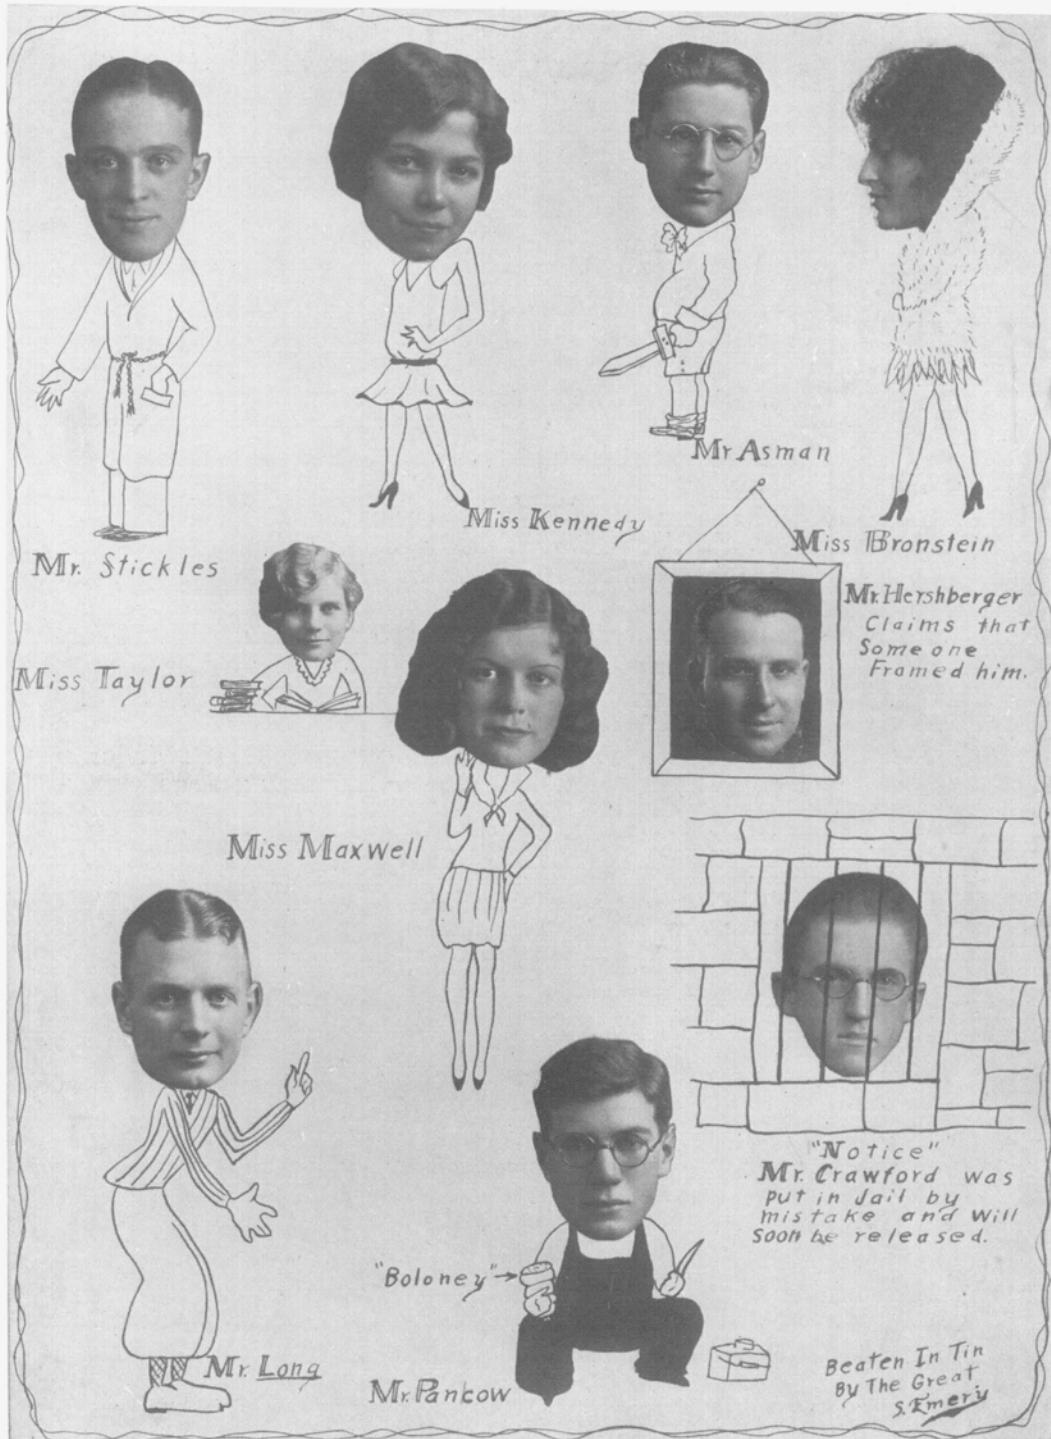

THE NORTHERN 1930

## OCTOBER

- 1st. Dr. Williams told us in chapel "What Success Is." Show at Lehr. "The Desert Song.". Upper classmen begin to drill Freshmen on O. N. U. songs and yells.
- 2nd. Seniors got a quorum, and held elections.
- 3rd. Dale Gilliland sang two numbers in chapel. Delta Sigs entertained with dinner. Pre-Medics held a meeting.
- 4th. Dr. Freeman spoke in chapel. Phi Mu Delta smoker.
- 5th. Cincinnati University captured a night game from O. N. U. 12—6.
- 6th. Was out of town this week-end so I don't know what happened.
- 7th. Mrs. Bricker, primary supervisor from Lima, talked at Educational Association. Choral Society held its usual practice.
- 8th. Show at Lehr, "The Duke Steps Out." Probation week for Delta Sigma Phi pledges.
- 9th. Freshmen girls find out about their rules. Those underclasses still have not elected officers.
- 10th. Chemicals held smoker at Professor Sleesmen's home. Delta Sigs have another smoker. First Spanish Club meeting.
- 11th. Big pep-meeting in chapel. "Freddy" struts his stuff. "Bus" Martin desires to be cheer-leader.
- 12th. We won. Trounced Cedarville 27—6. Good work, fellows.
- 13th. Yesterday was such a wonderful day for us that we could sleep in peace and we did.
- 14th. Frosh co-eds went on probation for the week.
- 15th. Another girls' meeting. Three cheers. Houses close at 11:00 P. M. during Home-Coming. Those underclasses finally got their officers elected. "Simba" at Lehr.
- 16th. W. A. A. meeting held in Presser Hall. "Mid" Battles elected president. Tychenheim Trio presented first number on Lecture Course.
- 17th. Social Science Club was organized with Curtis Johnson as chairman.
- 18th. Pep-meeting in chapel. Upperclass girls showed their appreciation for their wonderful "Little Sisters" by giving them a feed.
- 19th. Northern's biggest Home-Coming ever. Sig Eps won cup for best decorated house. A great game with Otterbein, even if the score was against us 13—12. Pankow sets a new record in Cross-Country.
- 20th. After going to their favorite church once more, the "old" grads wended their ways out of dear old Ada.
- 21st. Blue Monday. Isn't it the truth? Dates until 11:00 P. M. are rather wearing on the girls. They aren't used to them. Educational again.
- 22nd. In chapel Dean Needy gave a tribute to our football players, and a talk on Thomas Edison. Do we know our onions? Yes, but those talking High School Observation find they don't know their Principles. Show at Lehr, Marion Davies in "Marianne."
- 23rd. Our first snow of the season. Tests right after Home-Coming are dreadful.
- 24th. Dean Potter of Purdue University addressed us in chapel.
- 25th. Professor Moore of Purdue addressed us in chapel. Day given over to Chemical sessions. Many prominent chemists were to be seen on our campus.

THE NORTHERN 1930

1930

- 26th. Visiting chemists taken on Inspection trip to Findlay. Guests at Northern-Wooster game. Northern wins cross-country, but loses the game.
- 27th. As behooves a church school its students attend church quite regularly. However the 7:00 o'clock bus was loaded.
- 28th. Mrs. Davis won out in French Literature class. Yes, we got out Anthologies even if we didn't want to do it.
- 29th. Movie, "The Pagan." A tentative Mens' Council was formed. Now we can expect great things to happen? ? ?
- 30th. Again the chorus "We must get to chapel on time." Heidelberg Student Chorus gave a most delightful concert.
- 31st. W. A. A. Halloween Party with square dancing enjoyed by all. Sig Pi's were favored with special invitations.

## NOVEMBER

- 1st. Speaking of absent-minded professors, our own Professor Fairchild holds the record. His attempt to teach Astronomy to the Geology class was a huge success.
- 2nd. Dean Wilder seems to trust us long enough to go back to Albion for Home-Coming there. Press Club party at Betty Lippincott's in Lima.
- 3rd. Delta Sig's entertained with dinner in honor of their district deputy and his wife, Mr. and Mrs. Wallace Hoffman.
- 4th. "All football players are students and all students are football players." Mrs. Davis text.
- 5th. Mrs. Induck Kim from Korea spoke in chapel. We have lots to be thankful for according to Mrs. Kim. Seniors notice. Now is the time to arrange for your picture for the 1930 Annual. Have we ever heard this story before?
- 6th. The girls with "Dot" Harmon at the helm edited this week's *Review*.
- 7th. Music students recital was a success. Luck to them in the Eisteddfod at Jackson. Sigma Kappa initiation.
- 8th. Professor Schoonover spoke on "The Questing Beast." Northern students were quite successful in the Jackson Eisteddfod.
- 9th. Northern bowed in defeat to Akron University.
- 10th. Today was a red-letter day for six Phi Mu Delta brothers.
- 11th. Special Armistice Day chapel with "Jimmie" Allcroft representing the American Legion in charge. Professor Potter was ill, so no classes for him. This almost makes us believe that luck comes our way once in a blue moon.
- 12th. and 13th. No news. Guess I must have slept too much.
- 14th. Dr. Williams told us in chapel of the sholarship awards to be given next spring. Alpha Phi Gamma party at the New York Club house.
- 15th. Girls' Formal, sponsored by Womens' Council, was a real success, with 175 women in attendance.
- 16th. Sigma Pis initiated three pledges.

This scene shows three Phi Mu Delta boys whooping it up in the good old fashioned way. President Hershberger is telling the boys how to perform the double jump while Dimbulb Luikart looks on in disgust.

The pink tea and popcorn were not shown in the picture due to the fact that some of the rounders were stringing it in preparation for a tiddelywink party with one of the more popular sororities.

We were unable to get this thrilling scene in the pictorial section so the next best thing was to show it here. How many recognize it? Fine, Mr. Mertz, you are right. It is the combination shower bath, horse trough, and drinking fountain which graces the walk in front of Lehr Memorial. Statistics show that four out of every five are baptized here every day. Dean Weber supplements this with the statement that, "If the Sigma Pi fraternity did not quit using the shower for initiations all privilege would be withdrawn regarding its use as a watering trough for their horse."

Ye Editor will present a beautiful cast iron gasoline barrel suitable for distiling purposes to the one furnishing information leading to the arrest of the person responsible for authorship of this ignoble poem.

Sing a song for Kappa Psi,  
Lift your foaming glasses high  
Let no druggists throat be dry  
While we control the gin supply—  
Hail to Kappa Psi.  
  
Our team will win without a doubt  
Raise a long and lusty shout.  
All the boys are passing out  
So lets throw the furniture about  
Hail to Kappa Psi.  
  
So sing this song for Kappa Psi  
We'll be druggists by and by  
If we don't run out of Rock and Rye  
Let this be our Bottle Cry,  
Hail to Kappa Psi.

In 1422 the Kappa Psi fraternity combined with three high school "nationals" and it is the common belief that it was written about this time. At any rate it is indeed a most unworthy poem. Not that it doesn't contain much food for thought but the rhyme and meter are terrible.

Siddle up and catch a look at the newest of the re-installed institutions (The sororities).

This touching scene was snapped in the annual office, Dorothy Harmon, Chloene Winegardner, Evelyn Austin and Florine Baransy are holding heated argumentation as to just who shall be placed on the first page in the annual. At present Dorothy Harmon is leading, due mainly to her ability to talk louder and longer than the others. The Phi Chi leader just threw her for a five yard loss on a mean dig and for the moment she remained quiet so that the picture could be taken. The Xi Beta Chi leader came forth with some weighty arguments and pictures of the active chapter to back her up. The Tau Kappas having a majority of local girls are taking things for granted because they know that Dad just won't put an add in the nasty old book if they don't get their pictures in on the very first page. Ye editor had to tell the girls to "scram" to prevent them from coming to blows or using some of the swords which were liberally sprinkled about the office.

Freshman, 1970, is shown giving old grad of 1930 the dope on the new engineering building. Yes, he says, "The foundation is down three thousand feet now and we haven't had a trace of oil yet. If we don't find oil soon the plan will fall through as we are depending on it to pay for the construction of the building."

Of course the alumni is being duly impressed by all of the high sounding words and digs down in his pocket for a brand new dime saying, "Here is a dime which I wish to go towards the construction of a home for blind army worms."

Here may be seen sad plight of two Delta Sigs who are waiting for erring fraternity brothers to get in. They are in their BVD's said state being caused by the absence of aforementioned fraternity brothers. Just two suits of clothes are owned by the Delta Sigs and it seriously handicaps them in their social activities.

The Delta Sigs have gone out of the bootlegging business due to the fact that a still located in the garage blew up and destroyed three pairs of roller skates and a borrowed wheel barrow.

COLLEGE OF PHARMACY

OHIO NORTHERN UNIVERSITY is the only school in Ohio with Colleges of Engineering, Law, and Pharmacy owned and controlled by a Christian Church. Her policy is non-sectarian however. Her doors are open to high grade students of all denominations or no denomination. Obviously, the successful man must learn to form contacts with representatives of vocations and professions other than his own. The value of such contacts with Professors and students of various Colleges at Northern cannot be overestimated.

OHIO NORTHERN has enjoyed the distinction of having scores of her graduates called to high places in the social, economic and religious realms, making her record an enviable one. One of America's leading educators recently paid her a great compliment in a recent address before the student body, when he gave expression to the following statement:

"I want to congratulate you upon having that something that makes you a real factor in the educational world. I do not know how to define that 'something' but I do know there exists here an atmosphere of good fellowship and honest endeavor that is hard to supplement anywhere in this mad selfish age."

The Ada branch of the Lima Elks, or the Sigma Phi Epsilon announced the opening of their Lima Office just before the book went to press. The office is located in the Green Mill, 65 Public Square. Many members of Ada fraternities were present to wish them well in the new enterprise. T. N. E. presented them with dozen gallon jugs with corks attached. Kappa Psi donated a bottle washing outfit and a stomach pump. Delta Sigma Phi engineers fifty feet of copper tubing and a wash boiler. Theta Kappa Phi thirty pounds of fish and two dozen fresh? eggs. Sigma Pi, three barrels of corn mash. A. E. Pi a cash register.

It is thought that with such a start the boys will be able to make a go of it. It is rumored that the only thing the boys had to do was to put the fifth mortgage back on their country home on South Gilbert, to buy the Lima Property.

The entire school joins with us in wishing these boys success.

The new student council of the University formed last fall is composed of a certain number of people elected because none of them were Sig Eps.

Its chief function is to draw up constitutions for the President of the University and the Board of Trustees to Veto.

## THETA KAPPA PHI RUSHING SYSTEM

First get your man into the house. After he is once inside grasp him firmly by the hair and park him in the best chair.

Tell him about the other chapters (this usually takes about an hour). Tell him that the boys talking to him are the pledges and that the active chapter had to go to bed to keep in training for the football team.

Call his attention to some picture or other object hanging on the wall and then hit him on the head with a ball bat. After that it is a simple matter for even a Theta Kap to pledge a man. Simply put the pin on and when he comes to slap him on the back. In the case of the Theta Kaps, they say "goody, goody you're a fraternity man now." Membership in this lodge entitles you to free admission to all "box socials" and free parking space in the graveyard.

Unlike other fine arts, printing is seldom if ever the work of an individual; rather, it is the result of the co-ordinated efforts of a group of artists and artisans working in happy accord to produce the ideas and plans of the writer or editor \* \* \* \* So the fine appearance of this or any other annual is largely due to the care and good judgment of the staff in their selection of photographer, engraver and printer; and while none of us can rightfully claim full credit for the success of this volume, we at Grays are mighty proud of our share of the job. \* \* \* \* \*

No annual would be complete without a Scotch story, so here goes.  
Have you heard the one about the Scotchman who tried to get honey out of a  
“B” battery?

First Co-ed—I want something to wear around Turner Hall.  
Bright Clerk—Do you know the outside dimensions of the house?  
And here, gentle readers, is the sweetheart song of A. E. Pi.

The girl of my dreams is the closest girl  
Of all the girls I know.  
She stays home nights,  
And saves on the lights;  
She just won't go to a show.  
The look in her eyes as,  
A nickel she spies  
Like the sun in the western sky.  
The moonlight glows on her Roman nose  
She's the sweetheart of A. E. Pi.

A Delta Thet once swore never to shave until his team won a basketball game.  
He's now with Ringling Brothers.

## The 1930 Northern

*Annual Senior Class Publication  
Ohio Northern University*

ADA, OHIO

Dear Reader:

It is usually customary for the editor to make a few remarks about how glad he is the darn things done etc., etc., etc. He usually thanks the members of the staff for the work done.

Well, this year's editor-in-chief is no exception to the rule. He wishes to thank the staff, more commonly known as the "impediments" for co-operating to the fullest extent in getting out their departments. To the Paeszler studio and "Bill" for copious amounts of profanity and tobacco juice expended in producing the photos. To the Gray Printing Co. and the Canton Photo Engraving Co. for work well done.

He is glad also that the annual appears but once a year. After a careful search 9,300,127 gray hairs were grown by ye editor and the fact that they are not all gray is duly appreciated by him.

In concluding. No the editor is not weary—laboring still but not weary. Great indeed would be his bliss were it not for the business manager clamoring for this very bit of copy, which must be considered as nothing more than a filler for his advertising section.

Sincerely,

Ralph J. Bondley,  
Editor-in-Chief.
